The Fountain Head of Life Is The Stomach

A man who has a weak and impaired stomach and who does not properly digest his food will soon find that his blood has become weak and impoverished, and that his whole body is improperly and insufficiently nourished.

Dr. PIERCE'S GOLDEN MEDICAL DISCOVERY makes the stomach strong, promotes the flow of digestive juices, restores the lost appetite, makes assimilation perfect, invigorates the liver and purifies and enriches the blood. It is the great blood-maker, flesh-builder and restorative nerve tonic. It makes men strong in body, active in mind and cool in judgement.

This "Discovery" is a pure, glyceric extract of American medical roots, absolutely free from alcohol and all injurious, habit-forming drugs. All its ingredients are printed on its wrapper. It has no relationship with secret nostrums. Its every ingredient is endorsed by the leaders in all the schools of medicine. Don't accept a secret nostrum as a substitute for this time-proven remedy of known composition. Ask your neighbors. They must know of many cures made by it during past 40 years, right in your own neighborhood. World's Dispensary Medical Association, Dr. R. V. Pierce, Pres., Buffalo, N. Y.

OBITUARY.

Fred M. Stewart was born in Scott county, Virginia, August 13, 1853, departed this life April 5, 1911, aged 57 years, 7 months and 22 days. He left Virginia and came to Kentucky when only 24 years old. His first wife was a Miss Berry, a sister to M. G. Berry, of Louisa, Ky., and from that union was born one child, Clarence who, was very young when his mother died. His second wife was Maggie Harmon, a sister of Adam and V. D. Harmon. Fred was loved by his many friends and, in fact, by every one that knew him. He was kindhearted and good to his friends and neighbors. His illness was of long duration, but he bore his suffering with much patience. He requested that Bros. R. F. Rice and H. B. Huletto preach his funeral at the church house at Brammar Gap. He selected the text to be used in preaching his funeral, which was the 15th verse of the 17th Psalms, "As for me I will behold thy face in righteousness I shall be satisfied when I awake with thy likeness."

Bro. Huletto was unable to come out and Bro. Rice preached the funeral after which the Odd Fellows and Free Masons took charge of the remains and took him to Webbville and there he was consigned to the grave to await the resurrection morning. He leave a wife and one child and many friends to mourn, but we have a good hope of meeting Fred in a world where there will be no sickness, suffering and death.
